15 April Saturday: Overnight in Bangkok

An ideal place to recover from the long flight: the 5 star Renaissance Bangkok Hotel. This is a great location for anyone visiting Bangkok. Set back from the main thoroughfare of Sukhumvit, it has easy access to the Sky Train, and is only 1-2 blocks from three major shopping malls. This Western-style hotel is very quiet, and its service is impeccable.

16 April Sunday: Travel from Bangkok to northern Thailand

After a shuttle picks up everyone at the Renaissance hotel, we'll catch a late morning/midday flight to Chiang Mai/Lampang (fly into either Chiang Mai or Lampang). Along the way we'll stop at the Elephant Nature Park for demonstrations by local handlers, fascinating pachyderm painting and the popular jungle ride. Shuttles will then take everyone to our Lampang hotels.

5-6 pm: Welcome reception

17 April – Monday: Tour our **Mae Tha**, our first plumeria grove, and the extensive landscaped grounds.

8:30 am: Van Pickup at hotels.

9 am – 2 pm: This will be the most relaxing day of the tour, as this is our smallest grove - it'll whet your appetite for the hundreds of trees you'll see during the tour. It's significant since our entire collection originated with these mature trees. The grounds also showcase many palm species. We'll spend a couple hours touring the garden, then off to lunch at one of our favorite restaurants. After lunch you'll return to the hotel, where side trips to downtown Lampang or the wood-carving village can be arranged. This will be your best opportunity to see the sights around Lampang.

6:30 pm: Vans will pick everyone up for dinner.

18 April – Tuesday: Day 1 of our **Sopa** garden tour, with lunch provided on the grounds.

9 am: Van Pickup at hotels.

10 am – 3 pm: This is the heart of Jungle Jack’s plumeria business, and you’ll see everything from our original production fields to our newest research plantings. After lunch, vans will begin running to the hotel for anyone who gets tired. Due to the sheer size of these fields, there’s a lot to see, so you’ll have a second day in Sopa.

6:30 pm: Vans will pick everyone up for dinner.

19 April – Wednesday: Day 2 of our **Sopa** garden tour. Lunch TBD

9 am: Van Pickup

10 am – 3 pm: Vans back to hotel after lunch. If anyone wants to see more of these groves, this day can be extended.

7 pm: Farewell Reception and Dinner

20 April – Thursday: Tour **Long** Garden

7 am: early Van Pickup

8 am – ? This is a more production-focused field of around 7 acres, but possesses many, many interesting tidbits. Thai food lovers: save room for lunch in downtown Long. If you’re taking the early afternoon flight to Bangkok from Lampang airport, the van will pick you up at 11:00 am.

Thursday marks the close of Jungle Jack’s Garden Tour. Your next destination is up to you! You can return to Bangkok, visit the fascinating nearby city of Chiang Mai, or go wherever you choose. The date of your return flight is at your discretion.
